Description

This is an antique bi-fold decorative screen. An English, walnut and silk two panel divider, dating to the Victorian period, circa 1850. Delightful early Victorian craftsmanship with a charming appearance. Displaying a desirable aged patina, lightly timeworn commensurate with age. Select walnut stocks to the frame with turned finials and leg motif. Deep russet hues and fine grain interest accentuate the frame. Folding upon the centre axis and adjustable through 180 degrees. Scenes of birds amongst foliage adorn the front panels. The reverse dressed in deep plum coloured silk cotton. Can be folded outright for use as a distinctive, single bed headboard.
