Description

Like the sky from a glorious summer's day, the light blue field is soft and gentle, and wonderful to decorate with. One of the most popular and requested colours, yet very few were made with this glorious colour. Also here we have the well spaced and large scale allover design in a big size, perfect for your country home or London living room. Why not try a no obligation test drive...? 13'9" x 15'4"
