Description

Hi I have for sale the most beautiful fully restored solid brass French crystal regulator mantel clock in great original condition with an eight-day movement striking on a gong. The case style is very unusual never really seen another with a painted centre piece and matching enamel mercury pendulum the whole clock is a work of art. The Case The case is in solid brass the clock is very heavy standing 32cm high x 22cm wide with a depth of 13cm it is in very good original condition and has been very well looked after over the years, with thick bevelled glass on 3 sides all in perfect original condition. The Dial The dial is in white porcelain with hand-painted swags of flowers and the most amazing enamel centre piece with the rare blue Arabic numerals and has a slow and fast adjuster above the numeral twelve. The Movement The movement is an eight-day time and strike, striking the hours and halves on a gong a real quality movement, which still retains the original key and enamel & mercury pendulum. The movement keeps spot on time over the eight days; she was fully restored then serviced and oiled around two months ago with new springs so looking great in the case. The key ...
