Description

Hi I have for sale a very rare 1810 James Mc Cabe London double fusee carriage clock in the original box with the original key in perfect working condition unrestored from the same family owners for the last 64 years. The Case The case is in brass with a solid rear and in great condition. This clock stands 18cm high x 10cm across x depth of 8cm and in very good original condition, my photos just do not do any justice to this fine old clock you are welcome to come and view it. The Dial The dial is in good original condition and also retains its original black fine moon hands. The Movement The movement is an eight-day time and strikes double fusee of the finest quality I have ever seen; she has been serviced so keeping a great time over eight days, the original platform is in perfect working order and the clock is signed on the back plate by James Mc Cabe of London a top maker in a top-selling area. Also, note this is the original and correct mahogany brass bound box with the hinged front. Overall a very original clock which contains all of its original features is quite a rare find these days you will not see another. I will not post please do not ask I will hand delive...

Internal Ref: James Double Fusee C
