Description

A beautiful solid silver Eastern cigarette case. It is hallmarked with Eastern silver marks and tests as 840 grade silver. I would date it to c1920-1940. It has been beautifully hand made being engraved and chased with birds. It is in superb condition being free from dings splits holes and repairs, a single tiny mark see final photo. It is sprung so automatically closes. It measures over 4.25 inches (10.6cm) long by 3.25 inches (8cm) wide and weighs 164 grams. A superbly designed beautiful example.
