Depth = 19 cm (7.5")

Description

Stunning Ulysse Nardin antique marine or ships Chronometer, dating to 1928. Superb 48 hour movement, fully overhauled and guaranteed. Numbered throughout including the deck box which would have been an expensive extra at the time of purchase. Brass bound case with locking lids, sitting perfectly inside its felt lined deck box. Document showing much of its history, email me and I can send a copy through. One of the finest movements I have ever seen, a "Rolls Royce" example. Fully cleaned, serviced and keeping excellent time to under 0.5 seconds a day, quite astonishing for a chronometer around 100 years old. Case in very good original condition, all original keys, a beautiful example. A truly stunning Marine Chronometer, from a private collection. Worldwide shipping available, email for details.

Internal Ref: Nardin Chron
