Edwardian silver and glass pepper grinder

Price

GBP 195

| USD \$263 | EUR 228

Item Reference: SA1099317

Date of manufacture: Edwardian

Description

A good quality Edwardian silver and cut glass pepper grinder. The glass is hobnail cut and in very good order. The silver is in great order, marked to the base, top and screw top. London 1906 William Hutton & Sons. The grinder mechanism is Peugeot and in full working order, some light surface rusting to the mechanism. The grind is quite fine and gives a powdery pepper. H 10 cm Diameter 5.5 cm
