Description

Antique George III quality oak and mahogany longcase clock with 8 day moon phase movement by Edward White of Birmingham having a quality oak and mahogany case with a swan neck pediment, turned columns with ornate brass capitals, shaped door to the centre flanked by reeded columns with ornate brass capitals, panel base and raised on spade feet and shaped apron. Fantastic hand painted arched dial with a moon phase date and seconds dial, original hands, 8 day movement striking on the hour and half hour on a bell, original weights, pendulum and key. A handsome example boasting a lovely colour and patina and in good working order. 244 x 61 x 25.5cm. Date 1800. Condition / Servicing Note: Please note that antique clocks are complex and sensitive mechanical objects. While some clocks may be running at the time of listing we cannot guarantee ongoing performance without a full inspection and testing period by our specialist horologist. Where inspection, testing, or servicing is required this process can take between 2-12 weeks depending on the clock, the work needed, and current workload. This careful approach helps ensure the clock is properly assessed rather than rushed. Clock ...
