Description

A beautiful pair of antique caned walnut bergère armchairs. They were made in England in the Queen Anne style, they date from around the 1920's. The quality is exceptional, with finely detailed carving throughout. The wood has a gorgeous colour tone and the chairs are beautifully caned on the side and back panels. We have had the frames revived and re-polished, they have been fully re-upholstered in a cream cotton fabric, with down filled back cushions. The condition is excellent for their age.
