Description

A beautiful pair of antique burr walnut chest of drawers. They were made in England, and date from around the 1920's. They are of amazing quality with a beautiful design, they are a very useful size. The tops and drawer fronts have nicely shaped borders with cross banded edges. There is lots of storage space in the drawers which have brass tear drop handles and fine, hand cut dovetailed joints. They stand on cabriole legs, and look great from all angles. We have had them stripped and re-polished to a very high standard, the walnut grain patterns and colour tones are stunning. The condition is excellent throughout. Width – 24 inches , 61 cm Depth – 18 inches , 46 cm Height – 40 inches , 100 cm
