Art Deco Clock with Bronze Panther by Decoux Circa 1930

Price

Sold**Item Reference: SA1099864****Date of manufacture: 1930**

Description

An iconic Art Deco clock by the renowned artist of Art Deco period, Michel Decoux. This exceptional piece boasts a highly decorative clock case, expertly crafted from rich marble and onyx, supported by sleek chromed and copper pillars. At the top of the clock rests a beautifully sculpted bronze panther, embodying the streamlined elegance and dynamic design characteristic of the Art Deco era. The set is in good vintage condition, with minor wear consistent with age and use, as to be expected for its time. The clock movement is in working order, making this not only a functional piece but also a stunning example of period design. Dimensions: Width: 42.5 cm Depth: 12.5 cm Height: 43.5 cm UK Delivery: £25
