Description

A very nice set of 19thc small fruitwood spice drawers, of good colour, still retaining the original turned knobs and small brass bun feet....interesting label stating it was bought at the Olympia Antiques Fair in London on 16th June 2000....a few years before I started exhibiting at the fair myself....it was a fair of very good quality and vetted for authenticity....this lovely set of spice drawers would have been originally used in the "country" kitchen attached to a wall....it still retains some remnants of spice and leaves. English. C1840-60.
