Description

A George III period wingback armchair, professionally reupholstered in a pale pink fabric. The chair stands on square block legs with brass castors, with a stretcher between the rear legs. The chair is generously proportioned and very comfortable. This lovely antique wingback armchair is one that you could happily curl up with a book for a few hours - it's a very nice place to sit. Our upholsterer has done a lovely job giving it a new lease of life in this subtly mottled pale pink fabric. Condition: Very good condition throughout, newly reupholstered. Some minor marks to the wooden legs. The brass castors roll freely. The seat height is approximately 41cm. Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer. If you need an item by a certain date please speak to us prior to ordering and we'll try to help.
