Description

Gents Tissot wrist watch, 1959. The watch has a 16-jewel hand-winding movement, calibre 27B-21, which is working nicely. The movement is fully signed and it has the serial number 4,537,805 which dates it back to 1959. The watch measures 33mm diameter excluding the signed Tissot winding crown and the lugs. The case is stainless steel and it is in lovely condition. The inside of the case back is signed Tissot. The lens is in lovely condition. The signed dial has a little marking, not too detrimental. The hour hand is a period replacement. The watch comes in a vintage Tissot presentation box.
