Description

Very elegant Regency period (1820's) mahogany glazed top fully adjustable bookcase with cupboard below and stands on splayed feet. Book matched veneers to the two lower door panels which open up to a full depth central shelf. The glazed doors with their original glass (one very small crack which you really have to look hard to find) open up to the fully adjustable shelves, all original. Wonderful colour and for a large piece of furniture, it certainly has a light and elegant feel, helped by the raised splayed legs and serpentine bottom rail. Splits into two parts for moving and handling...no problem to arrange delivery for you! Measuring: 86 1/4 inches or 219 cm high 47 1/4 inches or 120 cm wide 21 1/4 inches or 54 cm deep 10 1/2 inches or 26.5 cm top internal depth 18 1/2 inches or 47 cm internal base depth
