Description

Exceptional 19th Century Hand Crafted Syrian Inlaid Moorish Table. Quite simply one of the best examples we have had the pleasure of obtaining. Amazing craftsmanship and attention to detail. Aged to the late 19th Century with some natural wear and tear as shown. A real interior design piece with elegance and great form. Dimensions in inches: H 32" x W 26" x D 26" Origin: Syria Age: 1890 - 1910 Condition: Fair. This object is completely solid in structure and form, it is firmly in place but shows natural aging across all its surfaces as we have tried to show in the photos provided. Some of the natural inlay is missing or has been respectfully replaced. The wooden surface shows natural fading in areas also due to use. We strongly suggest reviewing all the photos provided as part of this advert and propose questions where sections are unclear to avoid disappointment upon purchase. A direct message usually takes 24 hours to answer. For multiple years we have sold antique items globally, please expect our items to show relevant age and natural wear. Items only restored due to breaks and major loss, and we always stipulate this in our condition report.
