Description

Gorgeous 18ct gold opal and diamond cluster ring. The opal has the most wonderful vivid colours, most noticeably the flashes of aqua and areas of deep orange with a lovely warm glow. The oval opal is claw set and encircled by a white gold setting studded with ten small diamonds with lovely sparkle. The rest of the band is in yellow gold, very prettily fashioned at the shoulders in a split design with scroll tips. The band narrows elegantly towards the base A lovely antique ring which would make a very special gift. October birthstone. Period: early twentieth century. Hallmarks: marked as 18ct inside the band. In great used condition. The opal does not have a highly polished surface Measurements: Ring Size O Size of opal: 7 x 5 mm. Size of setting 1.1 cm x 0.8 cm Width of band at base: 1.3 mm approx.
