Description

Having survived well over 100 years this case is in amazingly good condition. All the lids and stoppers are well fitted and the glazed elements have no chips or cracks. Inside the lid there is a mirror with a hidden spring catch which opens to reveal a plush fold down shelf and an envelope. A spring loaded button activates the tray in the lower section. This would make a wonderful present to oneself or a very special person. Box comes complete with a working lock and key.
