Description

Fabulous quality Regency rosewood card table or console table on these wonderful brass lions paw feet (which can be polished up if you would rather), circa 1820. There is a spring catch or lock which when pressed releases the swivel top and once in place, it hold it secure. Rich consistent colour throughout the table and the brass contrasting so well with the rosewood. The interior of the table is worn as you can see, which I have left as is as these tend to rarely ever be used, but again, if you would rather this be replaced, please do just let me know. Lovely quality and super decorative piece of antique English furniture. Measuring: 29 1/4 inches or 74.5 cm high 36 inches or 91.5 cm wide 17 3/4 inches or 45 cm deep
