Description

A very rare and beautifully crafted antique silver table snuff box in the shape of Napoleon Bonapart. Probably made in France around 1860, it has makers marks but I have not been able to decipher them. The hat is hinged and opens to reveal a gilded interior that would hold snuff to dispense at a table after dinner. The face is lifelike and the hat is realistically fashioned. It is a stunning piece that would grace any collection. WEIGHT: 160 grams or 5ozst approx. Free delivery in the UK. Payment by bank transfer, card over the phone, PayPal or Klarna. Using Klarna payments can be split over three months.
