Description

A particularly attractive antique 19th-century mahogany chest of drawers. This Georgian oak chest features a straight front and an arrangement of two short drawers over three long, graduating drawers, each fitted with decorative brass handles. It is raised on ogee bracket feet and has a rich colour and patina throughout—a rather lovely example. Item Ref: M-5669 DIMENSIONS: Height – 99cm / Width – 106cm / Depth – 52.5cm

CONDITION REPORT: In good antique condition throughout, with some signs of age. There is surface wear in places, including age-related denting, scratches, and some loss to the top (pictured). Additionally, there is minor loss to the back right edge (pictured), but this does not affect the overall integrity of the chest. Overall, it's a great example. Each item in our collection is meticulously inspected, repaired, and restored by our experienced carpenter, ensuring it's ready to be seamlessly incorporated into your home. Please take a moment to thoroughly review all the accompanying photos, as they form an essential part of the description and condition report, offering valuable visual insight into its appearance and quality.
