Description

This Good Quality French Brass Inlaid Mahogany Quartetto Nest of Tables would make a useful addition to any room. The legs have inlaid Brass lines to them to add design detail. The top frames have an inlaid line to them as well as on the edge with the largest table having a quadrant moulded detail. The Mahogany is a rich colour that offsets the brass so well. The glass tops make them extremely practical for today's home. Being finished all round they can be placed anywhere in the room. Presented in fully restored condition, with just a few minor abrasions to the glass tops as to be expected of pieces of this age. The tables are of a good weight that enhances stability.
