Description

A beautiful antique Victorian stained glass ceiling lantern. This was made in England, it dates from around the 1880-1900 period. It is of wonderful quality and has a stunning design. The pierced iron frame has gorgeous details, the stained glass panels have gorgeous colours and patterns. The condition is excellent for its age, with just some very minor surface wear here and there. This was converted at some point from an oil lantern to electrical, we have had it re-wired and it is in good working order.
