## Description

This handsome pair of Regency Revival pier glass mirrors have very pleasing proportions and an elegant design to the beautiful burl walnut frames. The pair have hand carved gilded detail to the mirror mount as well as the scrolling crests and fabulous gilded Ho Ho birds to the centre. These are both in excellent, clean condition with a beautiful antique patina and attractive softly rubbed gilding. The mirror plates are both the original glass in good useable condition. Rare to find as a pair, these two are real beauties. The mirrors are nicely proportioned measuring 78 cms by 40 cms wide. UK delivery can be arranged with our trusted furniture courier and costs £60 plus vat to most destinations.
