Description

This is a stunning Italian 8 branch gilt metal chandelier in a rare spiral entwined floral and leaf design dating from around 1920. The chandelier is a good size and most decorative with its original gilt finish all intact and the original ceiling rose to complete the look. This is in good working order ready to be wired in. This measures 82 cms in diameter by 82 cms in height. UK insured packing and delivery is £25 We also have just listed a pretty pair of Italian gilt metal wall lights that are similar in style that came from the same room. These looked great together so if you are interested in the ensemble please see our other items.
