Description

A very smart and attractive drop-dial wall clock, striking on the half-hour and the number of hours on the hour. The beautiful flame mahogany case retains its original French-polished finish with a very warm, rich patina. It has well carved "ears" to the lower half and sound fretted doors to either side, with a drop down door to the underside. The 12", white painted dial has black Roman numerals with spade hands. It is nice and clean and well defined with a brass bezel and brass lined inset to the lower half of the case. The 8 day twin train movement, by the World renowned maker WINTERHALDER & HOFFMEIRE, has just been serviced by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. It has a very clear and pleasing strike, and keeping perfect time. Original winding key.
