**Date of manufacture: 1890**

Dimensions

Height = 8 cm (3.1")

## Description

Rare Silver Vesta. Chester 1897. I'm not quite sure if this is a vesta or a cheroot holder case? Either way it's an unusual piece. Measures 3¼ inches (8cm) top to toe, excluding the loop. Is clearly hallmarked for Chester 1897 with the silversmith mark GS&FS (Cornelius Desormeaux Sanders & James Francis Hollings). No holes or restoration, there are a couple pin prick dings, see images. There is wear to the hinge, again commensurate with age. All my photos are taken using natural light only. Our ref 9459 \*\*\*\*\* DOOR TOO DOOR DELIVERY INCLUDED.

Internal Ref: 9459
