Description

A most unusual late Victorian sterling silver neck Betjemann Brothers locking decanter with a faceted style stopper connected to the bayonet style fitting. Hexagon shape panelled deep star cut body with a star cut base. To open the lock just turn the key to the right and lift the hinge to release the stopper. This decanter is in very good original condition except one tiny chip on the corner of one panel as shown. Maker: Betjemann Brothers, London. Date: 1901 Weight: 1466g

Internal Ref: DEC-P56180
