Description

A smart and beautifully designed antique mahogany folding campaign coffee table. This was made in England, it dates from around the 1900-1910 period. The quality is superb, it has a wonderful folding design to save space in transport or when not in use, and it is a lovely size when opened. The mahogany has beautiful grain patterns and a lovely overall patina. We have had this re-polished, the condition is excellent for its age. There are just a few minor marks remaining beneath the polish here and there, commensurate for age. Measurements when open: Width – 36 inches , 92 cm Depth – 20 inches , 50 cm Height – 20 inches , 50 cm Measurements when folded: Width – 20 inches , 50 cm Depth – 8 inches , 20 cm Height – 37 inches , 94 cm
