Description

A lovely set of 4 Sterling Silver trumpet vases. They are stylish and good quality with slender tapering bodies, flared wavy rims and they stand on a circular foot with weighted bases. They are each hallmarked for Birmingham, 1910 and the maker William Hutton & Sons. They are in good condition for their age and display well. They are not perfect and there are signs of age and use. One has a small dent on the rim and another has a small dent near the bottom of the stem. There are some general light surface marks and knocks but overall they display well as a set. They have been gently cleaned and polished and are ready for use. Approximate Measurements: Height : 8 1/4" (21cm) Top Diameter : 3 1/4" (8cm) Base Diameter : 2 3/4" (7cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
