## Description

A fine antique Liberty's style inlaid mahogany armchair with exquisite inlaid designs. This was made in England, it dates from around 1890's period. This armchair looks like the typical item that originally would have been sold by Liberty of London. It has amazing inlaid patterns of various fruit woods and mother of pearl. The solid mahogany frame has an elegant yet sturdy design, sitting on beautifully tapered legs. We have had this re-polished and also newly upholstered in a cream cotton fabric; the condition is excellent for its age.
