Description

A beautiful Royal Worcester jug in the popular blush ivory design with hand painted floral decoration and a gilt handle. On the base is the green factory stamp dated for 1901 as well as pattern number 1094 and Registration number 29115. It is in excellent condition with no damages or restoration. There are some minor signs of age and use and some light wear to the gilding in places but overall it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6, rest of the world £25.
