Description

A beautiful Royal Worcester pot pourri jar and cover. It is decorated with a hand painted floral design on an ivory ground with gilded highlights. It comes with its original pierced lid with ornate beaded decoration and finial. The puce factory mark is on the base and below the lid with date letter O for 1889 as well as pattern number 1314 and Registration number 115189. It is in very good condition with no damages or restoration. There are some minor signs of age and use and some light wear to the gilding in places but overall it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6
