Description

A small Chinese hardwood table dating from the early 20th century. It is most likely made of Rosewood and has a traditional carved design standing on faux bamboo legs. It is a good quality piece and although it was likely once part of a nest of tables it still displays well as a stand alone table. It is in good condition and is strong and sturdy. There are some signs of age and use, some minor surface marks and light knocks but no major damages and it displays well. It has been lightly cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
