Description

This is a beautiful quality c.1900 bamboo hall stand in the Chinoiserie manner. The condition is very good for a piece made entirely of real bamboo. A few minor losses to the roundels on the end of the coat hooks but barely noticeable. The neatness of this example is what drew me to it. Narrow proportions meaning it doesn't dominate a space but still remains practical. There are hooks for coats, a drip tray for umbrella's and sticks and a good sized clean mirror.
