Description

Victorian mahogany cupboard bookcase converted from a gun cabinet, dating from the 1880s possibly Scottish. The bookcase will split into three sections, the top cornice with a shaped and well carved with stags head, carved foliage and small animals. The book case with three adjustable shelves, the inside is lined out in the original blue baize with the gun butts rest to the base. There is a long top drawer again with carved hares, pheasants, with brass and iron handles, locks and keys, cupboards below with carved stags.
