Description

A stunning and large antique burr walnut console table. This is in the Queen Anne style, it was made in England and dates from around the 1900-1910 period. It is of superb quality, with beautiful crisp carving on the legs and gorgeous burr walnut grain patterns. The drawers have high quality brass handles, they are internally constructed from solid oak and have fine, hand cut dovetailed joints. The top and drawer fronts have cross banded edges with inlaid double herringbone borders. We have had this recently re-polished, the condition is excellent throughout.
