Description

A 20th Century Female Nude, Impressionist Bronze Sculpture 24cm, signed. A superbly stylish mid 20th century, signed impressionist female nude bronze sculpture in the style of Henri Matisse etc., measuring 24cm tall. A contemporary bronze sculpture, female nude torso in the avant garde early 20th century, impressionist style with indistinct signature, possibly H Bolle, probably French or maybe English, TBV. An elegant torso sculpture of good proportion and crisp cast that demonstrates the impressionistic style and technique applied by the artist, most likely in clay, a fine example. Dimensions Height 24cm Width 11.5cm Depth 8cm We are listing this as mid 20th century but every chance it is earlier, in the impressionist style of early 20th century. A handsome sculpture of considerable decorative appeal that can enhance a classic or contemporary space, to compliment an existing collection or a stand one piece. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. Dispatched UK and worldwide within 2-3 working days with tracking.
