Description

A late Victorian polished oak aneroid barometer made by Gamage of London, fully restored and working c.1900. The solid plain turned round oak case with brass hanging mount to the top. Porcelain dial with weather predictions to the outer edge and bearing the maker's name Gamage London. The dial sat behind a bevel edge glass, set in a polished cast brass bezel with central reading marker. Presented in immaculate condition, fully serviced and working. Keep up to date via Instagram - sturmansantiques. Measures 8" diameter x 2" deep. Postage and packing cost (tracked and insured) for this item is £14.00 for mainland UK. Please contact us for delivery abroad.
