Description

A lovely antique pine glazed cabinet. The glazed cabinet has glazed doors to the top that open to reveal a neat blue interior with three fixed shelves. The Victorian glazed display cabinet has two short drawers, with brass drop handles, above two blind panel cupboard doors to the base that also open to reveal a shelved interior. Raised on decorative turned feet. A rather pleasing example, with brilliant colour and grain throughout. Item Ref; M-5670 . DIMENSIONS: Height - 101cm / Width - 107cm / Depth - 44cm / Surface Height - 93cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the glazed cabinet. There is staining to the front of the cabinet (pictured) as well as marks to the surface top (pictured), however, this does not affect the overall integrity of the piece. There is a small loss to the bottom cupboard door (pictured), however, the antique pine glazed cabinet remains in great condition. A lovely example. Our experienced carpenter meticulously inspects, repairs, and restores each item in our collection. This ensures that every piece you purchase from us is...
