Description

This is an attractive antique Tekke Turkman dating from around 1920. The handwoven carpet has typical Tekke design with 2 rows of 11 guls, but unusually, the ground colour is more coral coloured than most Tekkes which typically have a darker, more red ground. The carpet has a low even pile and complete selvages and ends with beautiful long fringes. The carpet is quite a good size for a Tekke, measuring 216 cms by 120 cms, and looks great down. UK insured delivery is £20
