Description

Hi I have for sale an 1880s carriage clock made in France by Richard & Co and presented in the rare case style which contains ornate filigree work and chasing running around the entire clock. It is in stunning condition one of the best we have seen, made in France a very rare find these days. The case/movement/ have been fully Ultra-Sonic cleaned, polished, and rebuilt all hand polished hard to show on the photos. The Case The case is in solid heavy brass in the rare filigree style with a small top window and stands 16cm high x 8cm wide with a depth of 6.5cm it is in perfect condition with thick bevelled glass sides/front/back door and top viewing glass. This clock has the filigree and chasing work running around the clock and is in perfect condition a real stunner with the thick solid matching handle. The Dial The dial is in original condition in white porcelain all contained in a stunning gilded mask to match the side panels simply beautiful to look at with the Arabic numerals, and the clock retains the original fine black ornate hands. The Movement The movement is an eight-day time only; the movement has been fully ultrasonic cleaned new spring hand polished ser...
