Description

A lovely clean mantel clock playing the Westminster Chimes. The serpentine fronted, walnut case is beautifully polished with a very warm, rich patina. The 6" (15cm) silvered dial has applied Arabic numerals and nicely cut hands. It is fitted with a STRIKE/SILENT button and a chromed bezel. The 8 day movement plays the Westminster-Chime on the quarters and the number of hours on the hour. It has just been fully serviced by our BHI registered horologist and carries our usual 12 mths full parts and labour guarantee. Keeping perfect time and supplied with original winding key. All cards accepted. Why pay silly, inflated prices for a clock when you can buy a perfect, fully guaranteed one from MASONS ANTIQUES.
