Description

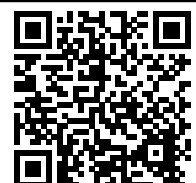

A gorgeous silver gilt brooch in a stylish leaf design. The enamel is the most beautiful light copper brown, subtly shaded with lovely warm tones. The silver is lightly gilded giving warmth to the outline and the stem of the leaf and also to the back of the brooch. The brooch is marked on the back for the Oslo Jewellery designer Einar Modahl 'Norway Sterling 925S'. There is a good fastening pin on the back which works perfectly. A fabulous gift for a lover of vintage Scandinavian designer jewellery and in an uncommon colour. Condition: In great pre-owned condition with no damage to the enamel. (The brooch has a higher shine finish than some of the pictures may suggest.) Marks: Einar Modahl, Norway, Sterling Period: Mid 20th century. Measurements: Height: 3 cm Width: 4 cm Weight 9.25 grams Weights and measurements are approximate.
