Description

A smart and extremely well made pair of antique Georgian style mahogany bedside tables. They were made in England, they date from around the 1900-1920 period. The quality is superb and they are a very useful size. They have serpentine shaped tops with cross banded edges, there are brush slide shelves that pull out from above the drawers. The drawers have brass handles and fine, hand cut dovetailed joints. They stand on beautifully tapered legs, terminating in spade feet. We have had these re-polished, the condition is excellent for their age. The mahogany grain patterns are beautiful, and they have a lovely overall patina. Width – 16 inches , 41 cm Depth – 13 inches , 33 cm Height – 27 inches , 68 cm
