Description

Set of 14 Antique Crown Splat & Bar Back Solid Mahogany Dining Chairs. An incredibly rare set of 14 Victorian Mahogany chairs. We bring to you this very rare and impressive original set of Victorian (C1880) Mahogany dining chairs in almost pristine condition. The chairs are made by the well regarded and documented maker James Reilly of Manchester (1825-1889). Each chair is stamped to the underside with the makers name and also include the dated Kite registered trade mark to all of the backs. The chairs feature a spectacular moulded crown splat & bar backs, flanked by turned rosettas with carved detailings around the top and middle back rails. The chairs have drop in seat-pads which sit above its beautifully shaped straight moulded seat rails which goes to finely turned front legs typical of the Victorian style. These chairs feature lovely original polish with a lightly faded colour with patina which have been sympathetically restored and carefully waxed in our workshop. These chairs have obviously been really looked after and cared for as it is incredibly rare to find a set of 14 Victorian chairs in such good condition, the majority of sets get broken up or chairs ...
