## Description

A magnificent antique Victorian mahogany leather top partners desk. This was made in England, it dates from around the 1860-1880 period. It is of extremely high quality, and is a large and impressive piece. The front has lots of drawers and storage space as you would expect, and the back side has two lockable cabinets, this comes with keys. It stands on bracket feet and has panelled sides. The solid mahogany has a beautiful colour and rich patina. The top has just been re-leathered, hand coloured and gold tooled. This comes apart into three sections for easy transportation, it is a good working desk and has a generous sized kneehole space. We just had this recently French polished, it is in fantastic condition for its age. Width - 60 inches , 153 cm Depth - 48 inches , 122 cm Height - 31 inches , 78 cm Knee height - 24 inches , 61 cm Knee width - 26 inches , 66 cm
