Description

This unique and highly decorative art pottery charger is of a stylish design with a high fired glaze. The ground colour is deep red and around the rim, it has a raised and heavily glazed decorative boarder. The central scene has a stylized prancing white and black horse with a green mane and tail which is also raided and heavily glazed. This unusual and interesting piece has a Potter mark and is signed G. Galzay. And is numbered number 36. Continental Circa 1930
