Complete with certificate from the oldest and most established gem laboratory in the country A diamond certificate or precious stone certificate is issued following an unbiased and professional examination to authenticate a diamond's attributes. It is advisable to only buy diamonds or any precious stones that have been graded by one of the following bodies GIA, HRD, IGI, or IGR, Anchorcert, AGI. As independent laboratories those listed provide an unbiased assessment of a diamond or gemstone's qualities, which is what insurers look for. This is particularly important for high-value items, where an unbiased valuation protects both you and the insurance provider. C J Antiques only use one of the listed bodies as these are usually the only ones accepted by most insurance companies and that will be used for unbiased valu...
