Description

This is a beautiful set of six English antique oil on board paintings of "river landscapes" attributed to Walter Williams (1834-1906), circa 1880 in date. The river landscape paintings depict six scenes, two of a gentleman fishing, a mother with her children, a bridge with a ruin in the back ground, a man and child on a boat, and women tending to the fields. The artist has used a very delicate palette of colours and has succeeded in adding some mystery to the scene. Housed in beautiful and decorative giltwood frames. Condition: In really superb condition the paintings and frames having only been delicately cleaned, please see photos for confirmation.
